J.E. Ober Elementary Dashboard of Key Performance Indicators

Our school has identified four (4) performance indicators which have been linked to successful students and schools. Teachers will also be recording and monitoring classroom performance, grade level performance and school-wide performance all year. The indicators that we have selected to track as a means of improving our school are as follows:

- Percent (%) of students reading on grade level
Goal: 90%
- Percent (%) of students meeting NWEA growth- Reading
Goal: 60 %
- Percent (%) of students meeting NWEA growth- Math

Goal 96 %

SCHOOL DELAY — EARLY DISMISSAL

It is sometimes necessary to delay or cancel school due to fog, ice and or snow. Weather conditions worsening during the day may result in an early dismissal. Parents should have prearranged plans, that have been discussed with children, regarding procedures during such an emergency. Weather announcements for the G-K-B School Corporation will be made by our School Messaging System and the J. E. Ober Facebook page. Please do not call the homes of school officials or the school office for this information.

RELEASE OF CHILDREN

When circumstances warrant an early release of a child, during the school day, parents should provide prior notification to the school office with a note, phone call or email. When arriving at the school to get the child, the parent must follow visiting procedures and sign the child out in the office. The child will be called to the office to be picked up. Children will not be released to his or her parents at the classroom door. Please have identification ready to present to the office staff.

Classwork/ Make-Up Work

Student Achievement increases significantly when teachers regularly assign homework and students conscientiously do it. Students will be expected to complete daily work and meet teacher's deadlines for assignments. Incomplete work will result in no credit and failing grades for those assignments. Students who are absent due to illness will be given extra time to complete work that has been assigned in their absence.

SECURITY AND VISITING PROCEDURES AT J. E. OBER ELEMENTARY

We are pleased to have in place a security system that only allows visitors to enter our main entrance at door # 7 between the hours of

At that time please state your name and the reason for your visit or whom you are to see. The secretary will then unlock the door and you may proceed to the office. If you are attending a meeting you will need to provide your driver's license so that it can be scanned using our security software.

This procedure has been implemented to ensure the security and safety of Garrett-Keyser-Butler school students and staff.

Checks should be placed in an envelope with the student's first and last name, account number if possible and amount of deposit written on the outside of the envelope. One check may be written for all students in a family that attend any GKB school. Parents should note how much of the check is to be deposited into each individual child's account. Parents may also prepay for meals online using Send Money To School. The link is on the school's website on the Food Services Page.
- Students should give their lunch money envelope to their teacher to be sent to the cafeteria.
- Account statements will be issued weekly for account balances falling below \$15.00. The statements will be printed every Thursday after breakfast. Statements will be distributed to the teachers to be sent home. Please ask your child if he/she has an account statement from the cafeteria.

Step 2

If the concern cannot be satisfactorily resolved at Step 1, the parent should contact the building administrator to schedule a meeting.

BUS POLICY

Transportation Policy may be found at [gkb.k12.in.us/About GKB/Transportation/Bus Rules](http://gkb.k12.in.us/About/GKB/Transportation/Bus%20Rules)

DISMISSAL — TRANSPORTATION CHANGE

- To ensure the safety of our students GKB policy allows for students to utilize one way to and from school. This means a child will be assigned (per online registration) one form of transportation and will utilize that method daily. All children will follow the selected transportation each and every day. **NO EXCEPTIONS.**
- If an issue should arise that no one will be at the house when the child arrives in the afternoon it is the responsibility of the parent/guardian to have someone meet the child at the house. Do not call the teacher.
- If there will be a permanent change just call the office and request that a new transportation form be sent home or stop in the office and fill one out. Permanent changes will begin as soon as the form is returned.

STUDENT SAFETY AT BUS STOPS

Students are to go directly to their stop, don't stop to play games, explore, or talk to strangers.

Always cross at corners and not between cars.

Students who ride the bus should arrive to the assigned stop 5 minutes early.

Students need to stay on the sidewalk or driveway at least 6 feet away from the road.

Respect others personal property. Stay out of yards and don't litter.

Line up when bus is approaching. Don't push or shove while waiting for the bus.

If a student must cross a road or street, stay at least 10 feet in front of the bus. Always look both ways before crossing. Never trust the other motorist.

ALWAYS cross in front of the bus.

NEVER walk behind the bus.

If you drop something near the bus, tell the bus driver. **NEVER** try to pick it up because the bus driver may not be able to see you.

Parents who bring their child to the stop in a vehicle should obey all warning and stop light signals from the bus. Never drive thru the bus stop arm!!

NEVER run to the bus!

NEVER walk or run next to a moving bus!

REMEMBER, THE DANGER ZONE IS 10 FEET ALL AROUND THE BUS.

BEHAVIOR MANAGEMENT AT SCHOOL-OFFICE REFERRALS

School staff serve in place of a student's parents while they attend school. This places the responsibility of each child's safety and appropriate behavior on the teachers and principal at the school. The approach at J. E. Ober Elementary focuses on student self-control, respect for others and responsibility. Behavior expectations are discussed by teachers and the principal regularly throughout the school year and student compliance is expected. Students who fail to demonstrate behavior that protects others from harm or loss of learning time will be subject to consequences. In accordance with I.C. 20-33-8 and 511 IAC 7- 29, administrators may take the following discipline actions:

Before School Detention
